

# Introducing the ColorWorks C6500 series

Developed as a result of direct feedback from customers, these colour label printers offer users speed, control, efficiency and flexibility. Available in either 4" or 8" print-widths, each size model is also available with an optional, built-in peeler to optimise workflows.

Produce high quality, custom labels time in-house and on demand with the C6500 series and eliminate the traditional problems of thermal overprinting. No more delays, disruption, waste or inconvenience. No more pre-printed label inventory, production downtime, lost orders or late shipments.

Switch to  
on-demand colour

# Catering for all requirements

### WARNING

Harmful if swallowed. Material may be irritating to the mucous membranes and upper respiratory tract. May be harmful by inhalation or skin absorption. May cause eye, skin, or respiratory system irritation. To the best of our knowledge, the toxicological properties have not been thoroughly investigated.

### PRECAUTIONS

- Wash hands thoroughly after handling
- Avoid breathing dust/fume/gas/mist/vapours/spray
- Avoid prolonged or repeated exposure.
- Keep container tightly closed.
- Store in accordance with information listed on the product insert
- If swallowed: Call a Poison Center or doctor/physician if you feel unwell. Rinse mouth thoroughly.

### FIRST AID INFORMATION

- **In case of inhalation:** Remove to fresh air. If not breathing, give artificial respiration or give oxygen by trained personnel. Get immediate medical attention.
- **In case of skin contact:** Immediately wash skin with soap and plenty of water for at least 15 minutes. Remove contaminated clothing. Get medical attention if symptoms occur. Wash clothing before reuse.
- **In case of eye contact:** Hold eyelids apart and flush eyes with plenty of water for at least 15 minutes. Have eyes examined and tested by medical personnel.
- **In case of ingestion:** Wash out mouth with water provided person is conscious. Never give anything by mouth to an unconscious person. Get medical attention. Do NOT induce vomiting unless directed to do so by medical personnel.
